Notice of Oral Ex Parte Presentation

Dear Ms. Dortch:

On Wednesday, August 03, 2005 Peter Pitsch of Intel Corporation met by phone with Jessica Rosenworcel of Commissioner Michael Copps' office and contacted by voicemail Scott Bergmann of Commissioner Jonathan Adelstein's office regarding the above referenced FCC broadband proceeding. In the course of the contacts, Mr. Pitsch made several points on behalf of Intel set out in the attached High Tech Broadband Coalition (HTBC) ex parte letter dated August 2, 2005 regarding this same proceeding. With respect to an earlier HTBC letter dated September 25, 2003, Mr. Pitsch stated that the two year transition regarding DSL service terms and conditions was no longer relevant because of the almost two years that have elapsed since this proposal was first made.¹

Pursuant to Section 1.1206(b) of the Commission's Rules, an electronic copy of this letter is being submitted to the Secretary's Office and

to the above referenced persons. Please inform me if any questions should arise in connection with this filing.

Respectfully submitted,

Peter Pitsch
